It begins with the bean.
SOURCED IN INDIA. CRAFTED IN INDIA.

Directly sourced Indian cacao · From bean to couverture · Crafted at our own unit · Made for your creations

A BETTER STARTING POINT

Crafted for those who want to make every creation special.

Great chocolate is more than an ingredient. It brings character to the things you make. We begin at the bean, so you can begin with something exceptional.

THE KALACHO COLLECTION

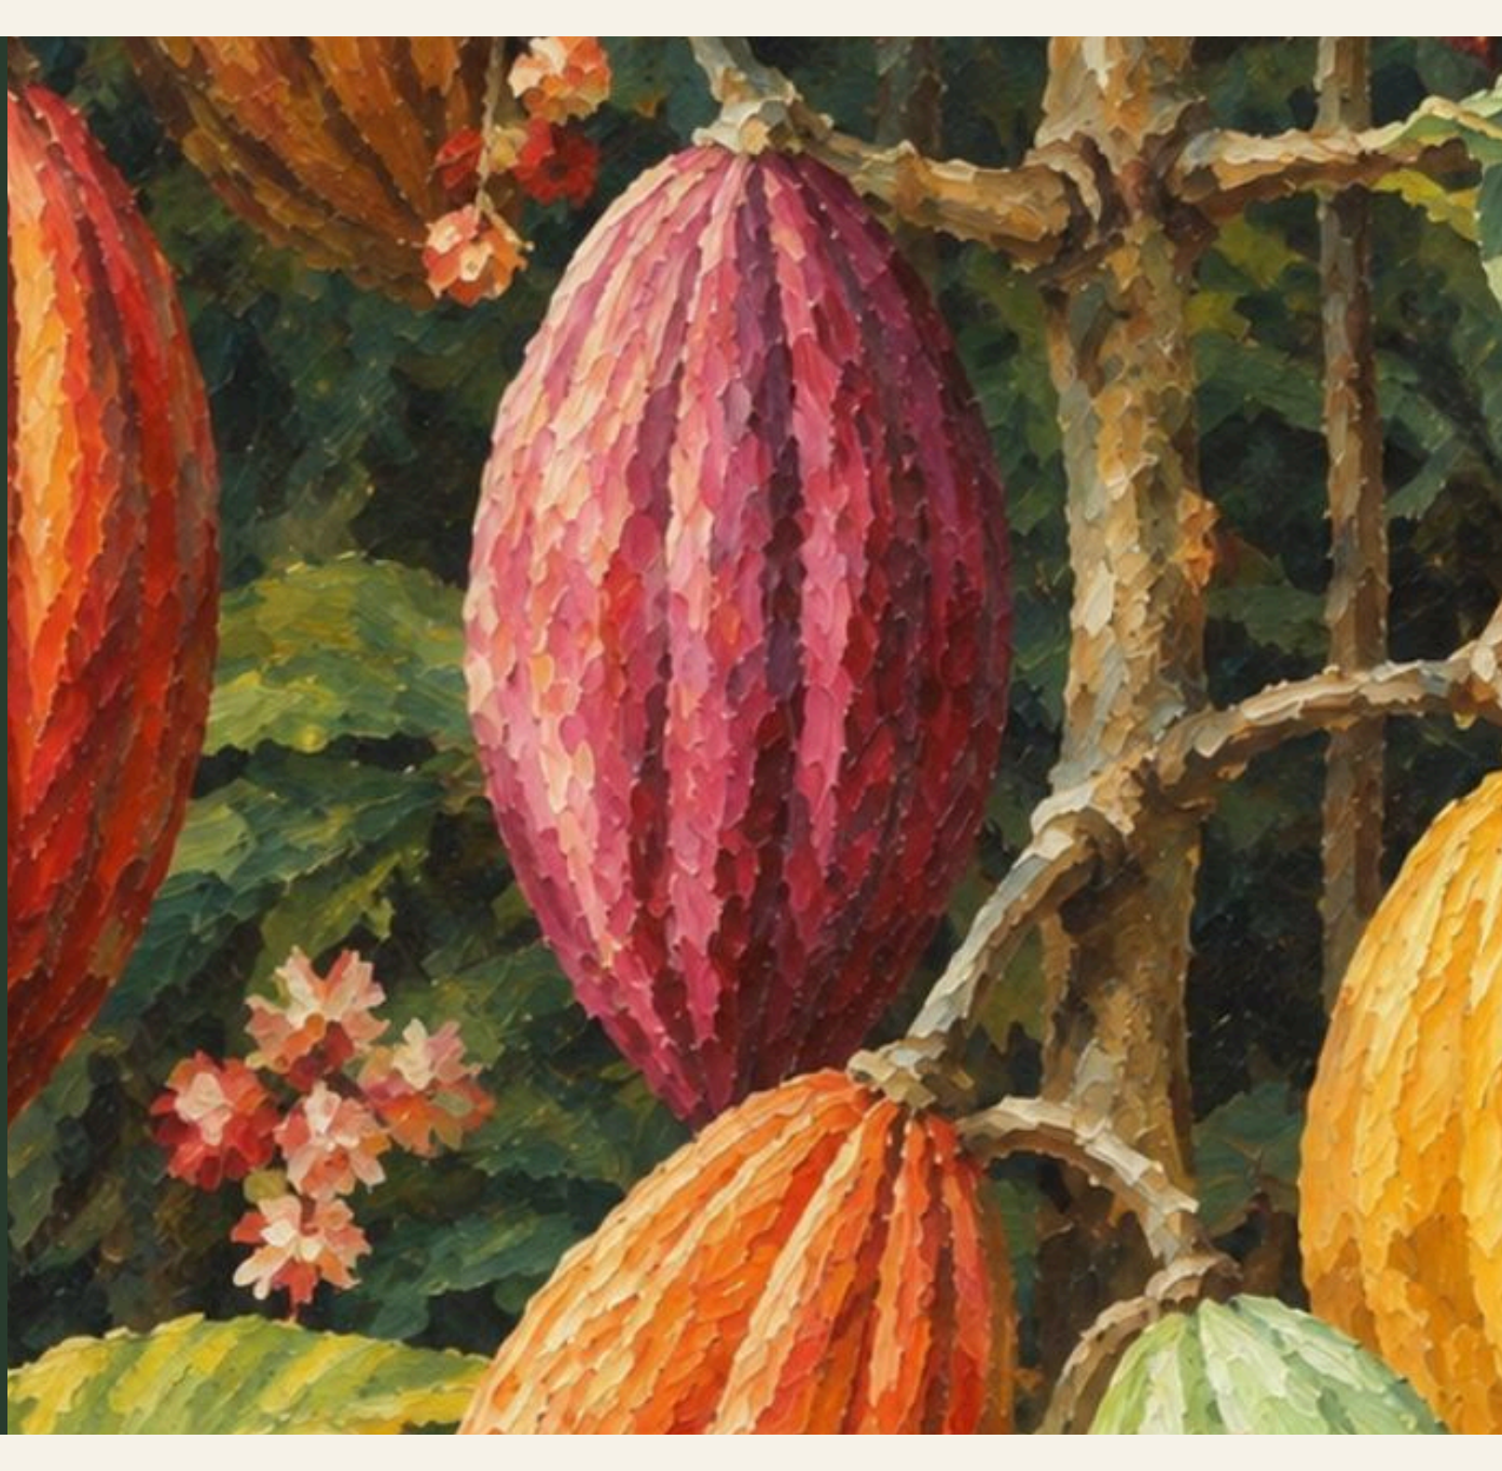
THE REASON WE MAKE

Don't hide the cocoa.

Premium chocolate in India, starting from the bean. Not from imports.

Kalacho is a B2B bean-to-bar chocolate manufacturer. We work directly with South Indian cacao farmers and craft premium couverture at our own manufacturing unit. From selecting the beans to extracting our own cocoa butter, we keep the cocoa at the centre of the story.

CRAFTED AT OUR UNIT IN HYDERABAD, TELANGANA



THE BEAN-TO-BAR JOURNEY

Every step has a purpose.

From the harvest to the final setting, we make chocolate from the bean at our own unit.

01

From the farm

Harvesting
Pod Collection
Bean Extraction

The journey begins with carefully selected Indian cocoa.

02

Developing character

Fermentation
Sun Drying

Preparing the beans for the flavour to come.

03

Revealing the cocoa

Roasting
Winnowing

From dried beans to roasted cocoa nibs.

04

Refining the craft

Refining & Conching
Tempering

Slow refinement, then carefully prepared chocolate.

05

Ready for creation

Moulding
Chocolate Setting

The final form. The beginning of your next creation.

OUR APPROACH TO CRAFT

Thoughtful ingredients. Unhurried chocolate.

Time, not shortcuts

Traditionally melanged, stone-ground and slowly refined.

The bean comes first

Carefully selected Indian A-grade cocoa beans and pure, thoughtfully chosen ingredients.

Naturally cocoa

Our own cocoa butter, extracted in-house. Non-alkalised cocoa retaining its natural character. Palm oil free.
